Come, sit at table with us. Be challenged by the work of diversity, equity, and inclusion. Learn about how we are examining APCE's structures and practices and consider with us ways that APCE can become more just and equitable. You are invited to question, critique, and join in the effort to become all that God calls us to be.

Led by members of the APCE Diversity Task Force – women and men, persons of color and persons of white, of many ages, geographies, and denominations.

Contact [Susan Young Thornton](#) for more information.
