

Reformed Theology Certification Course

APCE Annual Event 2023

Birmingham, AL

This Educator Certification Course in Reformed Theology is designed to provide Presbyterian Christian Educators with a clear understanding of the Reformed tradition as it is expressed within the PC(USA) and in other local, national, and global communities of faith. It also invites students to identify distinctive theological convictions within the Reformed tradition and make powerful connections between these convictions and their educational ministries in the church and the world today. The course examines several significant movements, confessions, individuals, and works and it sharpens comprehension of how to effectively educate others in ways that resonate within their specific cultural and theological communities.

The cost of this hybrid course is \$300. Register via the registration link for Annual Event 2023, which will be available later this summer. **Registration ends Friday, December 9** so that participants may be present for the Zoom class on Monday, December 12.

Class Sessions:

1. December 12, 2022: Synchronous online session on Zoom; 6:00 to 9:00 pm EST
2. January 23, 2023: In-person session in Birmingham, AL; 3:00 to 6:00 pm CST
