

# Meet our Disability Concerns Consultants

- How can I get my church and Presbytery to take accessibility seriously?
- Can you recommend the best ways to create access for our members who are deaf or have hearing impairments?
- Do you have resources for doing a churchwide accessibility audit?
- Help! I need curricula for adults and children with intellectual disabilities.
- In what ways can our worship gathering better welcome the broad diversity of ways people learn and communicate?

**Whether you have a specific situation to discuss, or want to think through your church's overall approach to accessibility, we're here to help!**
