

# Towson Presbyterian Church

**Position: Director of Children, Youth, & Family Ministries**

**Term: Part-time; 32 hours/week; Benefits Included**

Towson Presbyterian Church (TPC)—an inclusive, curious, compassionate, courageous community of faith striving to grow disciples of Christ—seeks a highly motivated individual with a deep love for children and youth to lead our children, youth, and family ministries.

While our church is blessed with engaging children and youth ministries, we recognize the need to bring greater form and focus to these ministries to grow them into all we believe they are called to be. Our church has also begun prioritizing and investing in family ministries, understanding the pivotal role of parents as their child(ren)'s primary faith-formers. Our next Director will understand that growing our children and youth ministries will require passionately pursuing a robust and meaningful family/parent ministry. Thankfully, all the ingredients are already in place for thriving children, youth, and family ministries, including a well-loved staff, strong lay leadership, and an invested community of faith.
